

ALLEN & OVERY

INTERESTED IN WORKING FOR AN INTERNATIONAL LEGAL PRACTICE IN HONG KONG?

Apply for a 2008 Allen & Overy Summer Placement to secure a 2010 Trainee Solicitor Contract and experience it for yourself!

Allen & Overy would like to invite you to apply for a four-week summer vacation placement for June or July 2008.

We are keen to receive applications from 2nd year (penultimate year) LLB students and 3rd year non-law students who are interested in joining our Summer Placement Scheme in Hong Kong in 2008, with a view to applying for a trainee solicitor position in Hong Kong in September 2010.

The interview takes the form of a preparation-free case study. We will assess your ability to work as part of a team, your leadership and presentation skills and entrepreneurial spirit and energy. Excellent academic results are essential and Chinese and English language skills are highly advantageous.

Our placements include experience in two seats in two different departments, a full training program, a series of challenging exercises, individual coaching from your trainer and a calendar packed with social and pro bono activities. We will also pay PCLL course fees and subsidise living expenses if you accept a training contract with us.

ATTENTION - All interested penultimate students must visit the following websites:

- [The Law Society of Hong Kong](#),
- [City University of Hong Kong](#),
- [The University of Hong Kong](#) and
- [The Chinese University of Hong Kong](#)

to ensure the new entry requirements for the PCLL courses can be satisfied (particularly the overseas law students). There are stricter conversion exemptions and examinations before being eligible to study the PCLL in Hong Kong. Allen & Overy will be strict in granting any deferrals for the 2010 training contract.
